Campus Select (recommended for ages 16+)

Courses that FRCC offers, if it aligns with the student's ICAP. These classes are college classes with college students at FRCC. Visit <https://www.frontrange.edu/programs-and-courses/catalog-and-class-schedule> to view classes.

ASCENT – In alignment with the Concurrent Enrollment programs

Students that earn 12 college credits can apply through the district - see your counselor for more information

Students will complete all graduation requirements and walk with their class as a senior but will remain a high school student for a 5th year of high school. This 5th year will be spent at FRCC taking a full year of college credits. This is a tuition free first year of college. Students are eligible to apply if they earn at least 12 college credits. These college credits are earned through High School Select, Career Pathways, and Campus Select.
