Front Range Community College (FRCC) strives to provide quality instruction and support for all students attending post-secondary classes on the campus. Students who are conditionally admitted based on the underage admissions policy are granted the same rights and have the same responsibilities as any other college student. Therefore, it is required that each underage student and her/his parent review the information listed below and sign the acknowledgement indicating that they understand and accept responsibility for the decision to enroll.

1. I understand that the student must adhere to all college policies and deadlines as outlined in the college catalog and course schedule.
2. I understand that there could be classroom discussion or materials that the student/parent may not consider age appropriate for an underage student. If the student or parent is not comfortable with an assignment or classroom discussion, the faculty member is not required to substitute an alternate activity or grading exercise.
3. I understand that the grade received by the student is part of the student's permanent post-secondary academic record and may affect the student's eligibility for college scholarships or freshman/first-time status at other institutions of higher education.
4. I understand that, while the student will have equal access to any academic support services offered to the student body, no extraordinary academic measures will be granted the student due to underage.
5. I understand that the student's academic record (grades, attendance, progress, etc. in class) cannot be accessed by the parent without a written release, signed by the student in person at the Admissions and Records office.
6. I understand that the faculty member will provide standard updates on academic progress directly to the student. This may include graded homework, graded test papers, etc. In a college environment, attendance is not reported, and faculty members do not provide written or personal/telephone summaries throughout the semester.
7. I understand that the student is expected to comply with the FRCC Student Code of Conduct. Violations of the Code of Conduct will result in disciplinary action as outlined by the FRCC College Discipline Process. Parents are responsible for any student supervision required when the student is on campus but not in class.

I have reviewed the information listed above. I acknowledge the responsibilities and limitations as outlined.
